School Day Memories

As we reach out our hand
The diploma we grasp,
While we think of the memories
Of the years in the past.
Tears fill our eyes
Because it's all gone,
We're starting a new life,
We have to move on.
We hope our friends will keep in touch
As the years pass us by,
Although it hurts inside
We'll try not to cry.
We think of kindergarten
And our first day,
Now we've reached the end
We are going away.
How do you say good-bye,
To friends who mean so much?
Will there be time
To sincerely keep in touch?
You'll always have the memories
Of your school years from day one,
Don't think of school as ending —
Think a new life has begun.

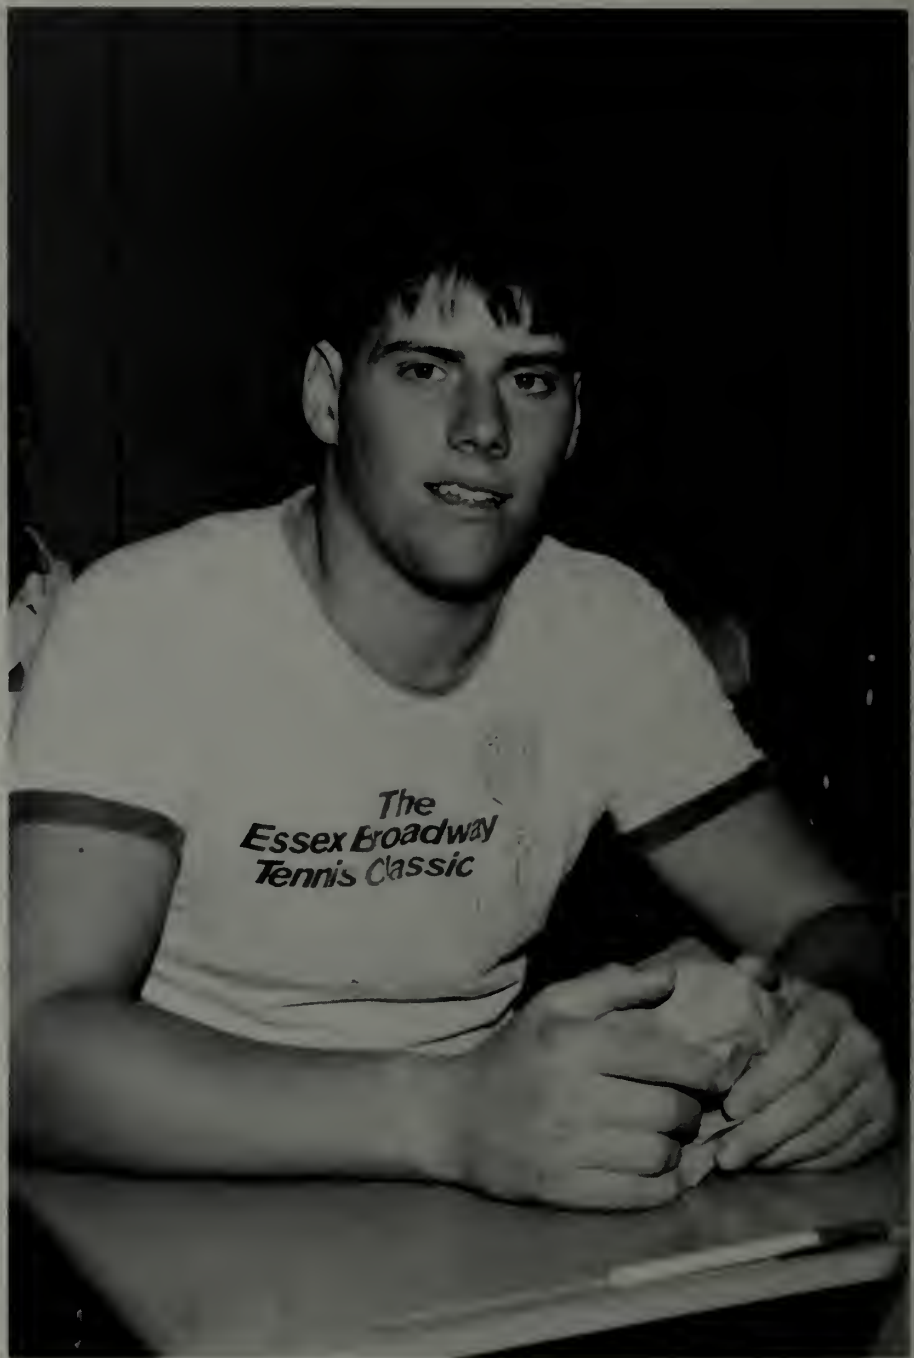

“Feel The Beat Of
The Rhythm Of The Night
Dance Until The
Morning Light
Forget About The Worries
On Your Mind
You Can Leave
Them All Behind”

START YOUR ENGINES

And though you don't believe that they
do
They do come true
For did my dreams
Come true when I looked at you

GETTING INTO GEAR

A dream ... a hope, a desire, a notion
A feeling that can expand as far as you want it to,
An achievement you strive for, and complete in the
end.
An ultimate goal ...
An idea too brilliant to let anyone else know of its
existence.
An expectation to make the most of whatever you
have,
And not let anyone else hold you back.
Because when all that you have is taken away,
The only thing left is a dream.

CHARLES J. McCARTHY, JR.
PRINCIPAL

TO THE CLASS OF 1987

It is one of the pleasures of my position that I get to do the official honors of signing and awarding diplomas on graduation day. However there are other pleasant duties of equal degree prior to that day. Specifically, I have enjoyed watching the Class of 1987 compete with success in athletics - and I have enjoyed watching them perform in music, drama, academic competitions, and in scholarship competitions. As a group, you have distinguished yourselves. You were the first group affected by the reorganization of the school system in 1981 and you are the first class to graduate from PVMHS since its conversion to a four year high school. Based on your success and growth here I have confidence in your ability to succeed further either in continued education, or in the community. You leave here with a good foundation for your future lives. I look forward to hearing of your successes.

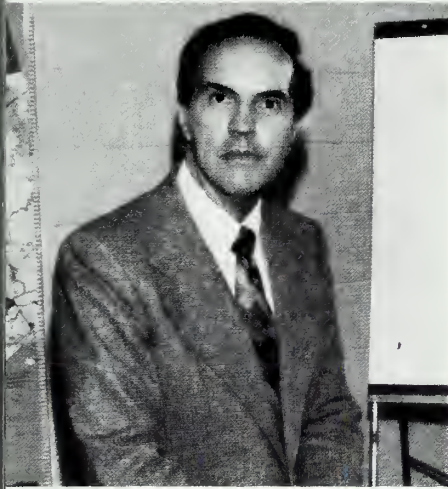

Thank you for your efforts. Good luck in your future endeavors.

Sincerely,

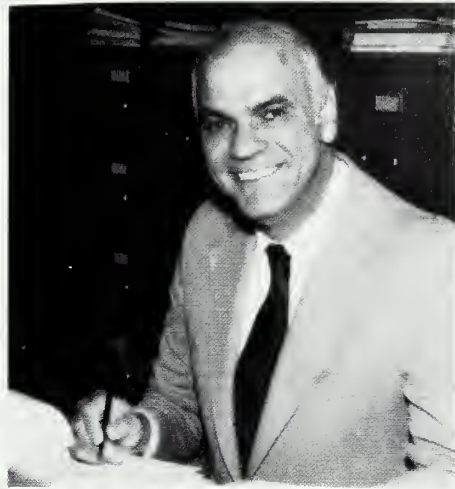

Charles J. McCarthy, Jr.

SENIORS

CLASS

1987. Already? Just yesterday we were complaining we'd never get to the highschool. Just yesterday we were entering PVMHS as meek little sophomores. Remember sitting in the gym the first day of school not knowing what to expect. We were categorized and alphabetized by our new unit directors: Mr. Eagar, Mr. Codair, and Dr. Faria. Then we were brought on a tour of the "big" school. It seemed so complicated- A-house was blue, B-house was orange, or was that C-house, or maybe it was yellow, red? Oh well! It didn't take most of us very long to figure out which way the cafeteria was or all the shortcuts to your oh so favorite classes. We underclassmen did not get many special privileges, but we did get class officers. We voted Julie Haggerty in as our President, Elizabeth Upham vice-president, Rachel Goldstein secretary, and Vera Brodsky treasurer. With the help of Mr. Terlizzi, their advisor, and also with the help of the homeroom reps, they raised \$1500 in a magazine drive for our class. As sophomores we also managed to receive gym TWO periods a week, mandatory health class, and study hall on the bus ramp. We were so lucky. Winter time was the best - - especially the chilling memories of waiting for the bus every morning. A bright spot in our year was Student Council's Carnation Day and their Computer Dating Game. Time passed by quickly. Finals were over, we had the whole summer ahead of us, and a new title - JUNIORS! Junior year was one of the best. Now we had someone to pick on - the sophomores. We kicked off the year with the election of new officers: Mark Jones President, Elizabeth Upham Vice-President, Julie Albanese Secretary, Michael Looby Treasurer, and new advisor Mrs. Yost. The first event scheduled was the Junior Class Halloween Party. Held at Kowloon's, it was a big success. The Wizard of Oz won Best Group (Julie Haggerty, Christine DeMaria, Rachel Goldstein, Danielle Remis, and Tara Kulak). Other interesting characters showed up as well: Ed Greemly, "The Nerd", Raggedy Ann 'N Andy, a green M & M, and the Bud Man to name a few. PSAT's were being taken and then SAT's. People were starting driving classes and getting their license. Remember those interesting Tanner City Driver's Ed classes? February brought carnation day and the Valentine's Day Semi-Formal at the Jimmy's Allenhurst. It was our chance to dress up and have a good time. The Pizza Party at the Prince Spaghetti House came next. The officers had a rough time getting that off the ground. Mrs. Yost had to be absent the day it had to get approved by Student Council. A forgery was attempted (Yoast? Yoste?), but it failed. Anyway the whole deal was cancelled then not cancelled. We still had a good time once we found out if it was still on. Junior Year - we got fitted for our class ring, lounge, door 9 got closed a dozen times, gym only one period a week, and lounge lounge lounge. We got fitted for class rings, too. Spring time rolled around and so did the prom. Guys in their tuxes. Girls in their gowns. Everyone looked gorgeous on May 16, 1986 at the Sheraton Tara. The prom king was our president, Mark Jones, and queen belonged to Lisa Monahan. The prom was a perfect ending to such a good year.

Once again we struggled through finals and the witnessed 1986 Seniors gradu-

HISTORY

ate. Now we started to feel like the "big guys". Summer time was great. Hit the beach during the day, cruising around in your new cars, working, Land 'N Sea, movies, sleeping, parties, and no homework.

We started off year the day before school started with the annual Back to School Luau at Kowloon's September 2, 1986. From 7 to 11 pm we had great music by Gary Graham and Chinese food. We dance all night in Hawaiian shirts and Jams. School started on the 4th. Class officers were elected for our final year: Mark Jones was once again the student's choice as well as Elizabeth Upham and Julie Albanese, Kelly Cragg was made treasurer. 1st quarter was a busy time for everyone — SAT's were being held, applications had to be done, Senior pictures to get rid of, and plenty of decisions to make. Everybody was feeling a lot of pressure. It didn't help that freshman had joined us. Halls were packed and you had little people running all over your feet.

You can't forget our excellent football season. Our team, with its perfect record, went all the way to the Super Bowl at Sullivan Stadium. We had the Zoo Crew to get the fans going. It was definitely our season. We were "The Mighty Mighty Tanners". On Monday, November 10 at Knights of Columbus we had our costume party. Outfits were even better than the year before - Best Costumes were: ZZ TOP (Gary Bua, Sean Doherty, Jeff Caron), The Chipmunks (Kim Goodman, Kristen Brown, and Wendy Davis), Half Man Half Woman (Liz Nee). Costumes were unbelievable- an oversized lobster, a pregnant nun, a penguin, a Christmas tree, Fred Flinstone, Snow White and the 7 dwarfs, cookie monster, the Marx Brothers, and Jason. Not soon after we were getting fitted for caps and gowns and buying our tassels. The feeling that we really were graduating was beginning to set in. The Senior Snowball was February 7, at the Steven-James. As usual everyone looked great. Mid-terms were over and slight senioridas set in. Student Council held their annual carnation day: Red I Love You, Pink I Like You, White I Want to get to know you. By the way president of Student Council, Julie Haggerty, did an excellent job in telling off the school newspaper. They know now that no one puts down Seniors without just cause. The Toga Party was to follow March — Friday the 13th, the first annual all-school dance sponsored by the Senior Class. The Seniors also planned a trip to the Rocky Horror Show. Soon to follow would be Senior Week, with the Prom, Field Day, YEARBOOKS, and finally graduation. We had some of the best times of our lives. So many memories — the broken water pipe in the caf, the day we had 8 fire drills in the rain, lunch being raised to 85¢, 7 absences a quarter, too many tardys, and Friday nights.

Twenty years from now it will seem like "just yesterday" we got these yearbooks. Time goes by so fast. We hope you have awesome memories of highschool and we hope the yearbook will bring back many more. Good luck — and never forget the good times you had and the good times to come.

A DEDICATION TO OUR PARENTS

We the class of 1987 wish to thank our parents for their loving support and guidance over the years. Your patient understanding has given us the strength and confidence we need as we pass through the doors of Peabody High School one last time.

SENIOR MESSAGE

The Class of 1987 has been involved in many changes. Despite these changes we have grown together since our sophomore year. Each year we have overcome problems to stay together and represent Peabody High School as the Class of 1987. As a class we are always looking for new activities and new ideas. If this positive attitude is any reflection of our future, we will reach definite success in life.

Our Senior year has been one of ups and downs. We've had plenty of good times which we will remember for years to come. There were times when we thought we'd never get there, but our graduation came upon us faster than we ever expected. Before we know it, we will be going our separate ways. We hope when you remember Peabody High School you remember the learning, the maturing, the friendships, and the good times. As the Senior Class Officers of 1987 we wish for you good luck, a happy life, and excellent memories of the years we have spent together.

Best Wishes-We'll Miss You!
The Senior Class Officers:
Mark, Elizabeth, Julie, Kelly

Football

The big story of the fall was the football team, who capped a perfect 10-0 season with a trip to the Division I Superbowl at Sullivan Stadium. The Tanners achieved their undefeated record by crushing their opponents, with their slimmest margins of victory all season being three points over Malden and six points over Salem in the first two games. Running back Pat Cullen led the team offensively, and co-captains Gary Bua and Bob Irzyk headed up a strong defensive line. The Tanners fell to Winchester in the Superbowl, 20-13, in their only loss of the year.

GIRLS FIELD HOCKEY

Field Hockey

The field hockey team turned in a strong 1986 season. Led by co-captains Kelly McGovern and Tara Kulak, the Tannettes posted an 11-2-2 record. They finished the season second in the Greater Boston League behind Malden and went on to the Eastern Massachusetts Tournament, where they seeded third. After advancing through the first round, the team was eliminated by Acton-Boxboro in a 6-0 upset victory.

GIRLS CROSS COUNTRY

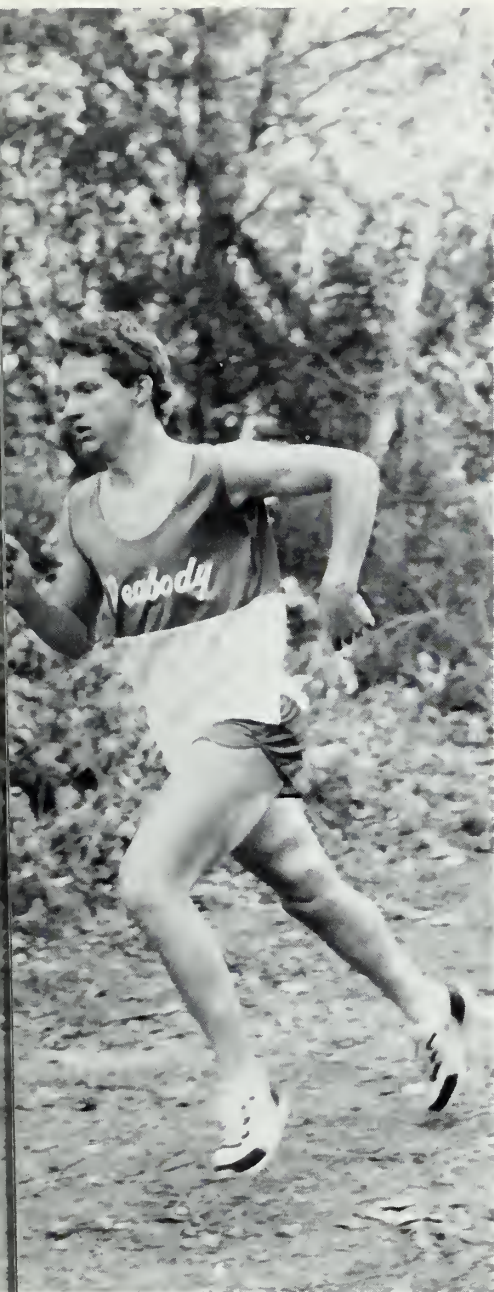

Girls Cross Country

A five win and two loss record placed the girls cross country team third in the Greater Boston League. Seniors Nancy Delaney and Tina MKoran were a large part of the team's success, and led the Tanners to strong performances in the Northern Area and the GBL Meets and later in the State Coaches and the State Meets.

BOYS SOCCER

The boys soccer team was hampered by injuries during the 1986 season as they played to a 4-10-4 record. Tanner captain and leading scorer George Petradelis suffered both a broken nose and a broken wrist that nearly put him out for the season. Charlie Vlahos and Rob Curran were also forces on offense, and Jim Osgood and Keith McGovern combined for the Tanners in net.

14 WINS - 2 LOSSES

GIRLS SOCCER

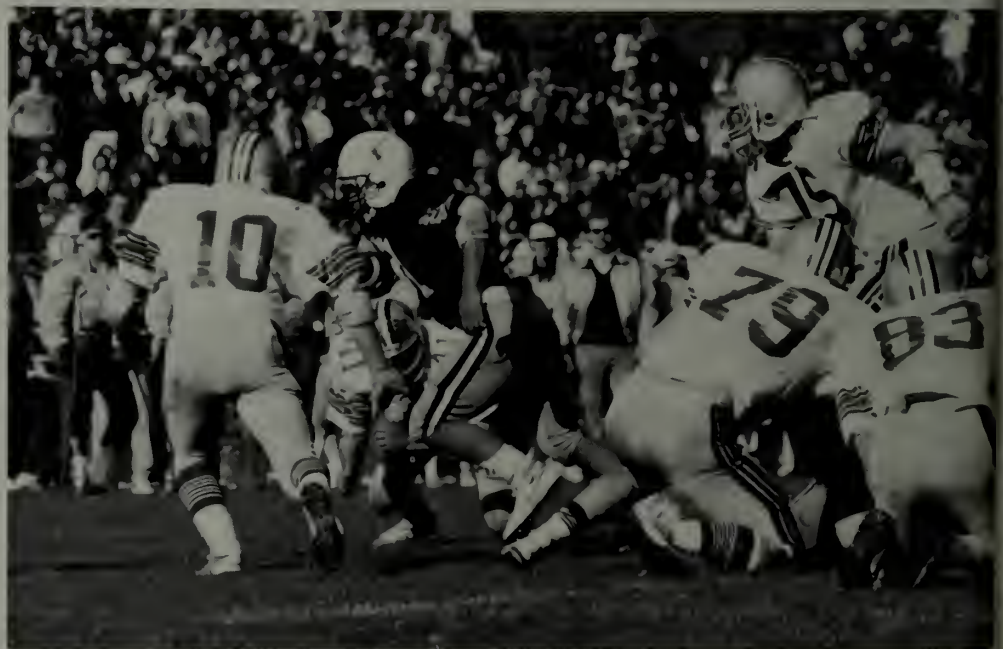

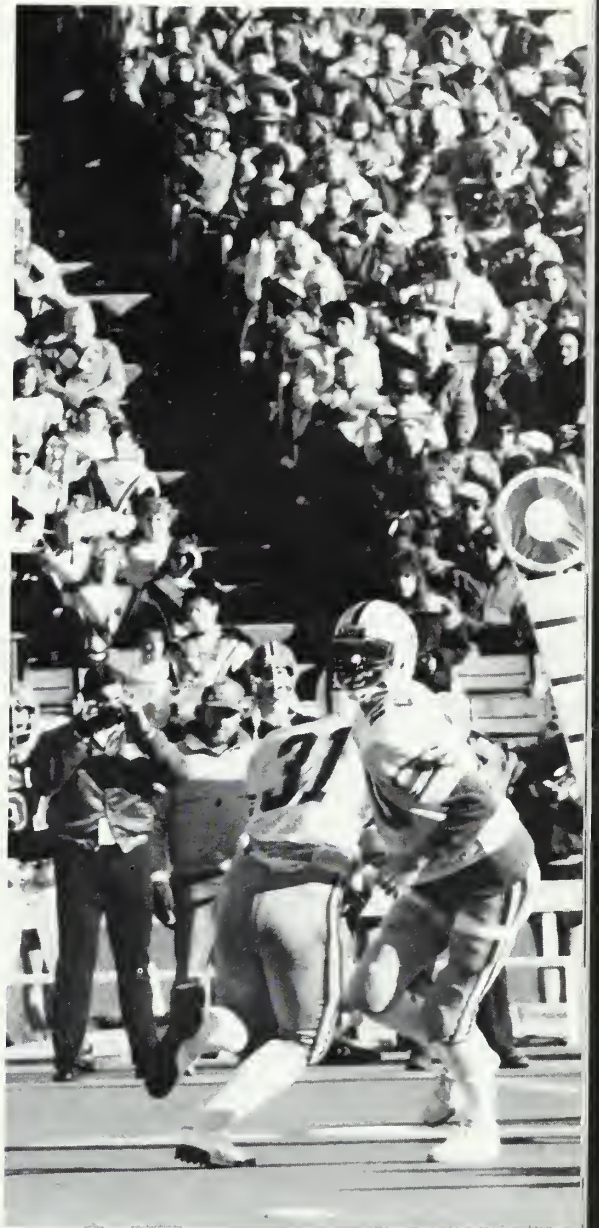

Losing only two games all season, the girls soccer team closed out the year second in the Suburban League with a 14-2 record. However, the Tanners were eliminated in the first round when they were shut out by Arlington, 1-0. Kristyn Murray led the team and the League in scoring, and co-captains Chris Demaria and Kim Leonowert were key to the defense and offense respectively.

PETER D. MOONEY
DIRECTOR

To the graduates of the Peabody Veterans Memorial High School and Peabody Vocational High School class of 1987, I would like to extend my sincerest congratulations. May each member of your class enjoy a rewarding and productive future.

You have matured and acquired new skills that will uniquely prepare you for the challenges you will face. The foundation you have received at the vocational school will serve you well as you pursue additional technical training in your chosen field of endeavor.

Your teachers and I stand ready to assist you in any way we can in the years ahead and we sincerely wish to hear from each and every one of you in the future.

It has been most enjoyable working with you and seeing you develop and grow both personally and as competent professionals.

GOOD LUCK!!!

Going to McDonald's® is almost as
much a part of school as going to class.
You've made us the place to meet, to
talk, to have a good time, to celebrate
your victories and help forget defeats.

You've made McDonald's more than
just another place to eat. And that's why,
at McDonald's,
we say...
